Painting with Watermedia on Synthetic Papers

Materials Fee: \$15 for two large sheets of synthetic paper, Plastic pipettes

Materials student will need to provide:

Source images: Bring printed photos or magazine pics that inspire you to create abstract or semi-abstract paintings.

Paint: Bring any kind of watercolor in tubes in red, yellow and blue. Optional: You may bring other colors as well.

Brushes: I prefer to use large brushes. If you don't have large brushes, don't buy an expensive brush. You can pick up an inexpensive synthetic brush in size 12 or 16 inch round and/ or 1 and 1.5 flat. Feel free to bring other size brushes you may have.

Several pieces of foam board or cardboard to transport wet paintings

Water container

Scissors

Plastic plates

Masking tape

Tissues

Paper Towel

Any type of salt: table, kosher

Spray bottle with water - any size

Notebook and pen or pencil to take notes

Optional: Stamps or any other type of mark making tool.

Optional: Hair dryer

Materials provided by instructor: Terra Skin, Yupo, cobwebbing material, Bottles of pre-mixed paint

Studio equipment needed: Enough long tables to have two participants to a table.

Four easels to display some of our work.
