**Waiver of Liability for Minors**

As a participant in any workshop or class at the Wickford Art Association I recognize that there are certain risks involved and I take full responsibility for all injuries that my minor may sustain while taking a class at the Wickford Art Association. I also understand that in a life drawing class there will be nude models, both male and female, and I have given permission for my minor to attend the class.

I agree to waive any accidents or injuries that may occur to my minor as a result of any class taken from the WAA including the employees, board members and volunteers.

I also understand that in order for my minor child to participate in any class or workshop there must be two adults present (it may be the instructor and an assistant at least).

I HAVE READ THE WAIVER AND FULLY UNDERSTAND THE ABOVE STATEMENTS AND RELEASE ALL CLAIMS.
